## WORK EXPERIENCE

**Now&Me** — Product Designer

🌱 Designed the Now&Me App and Website and graphics for advertisement & Marketing.

🔧 Worked closely with developers to bring the design to life.

🗨️ Worked with the founders to ideate on major features, such as Personal chat and Therapy.

AUG 2021 - JUL 2022

## EDUCATION

**Internet** — Thanks to Mukesh Ambani

📖 Learnt everything from internet by reading documentation, collaborating with people who love to design.

📺 Love watching design content like as we Indians watch centuries of Sachin and Virat.

SEP 2016 - TILL DEATH

## SKILLS

**Is it possible to use 100% of the brain** — Watched Lucy multiple times

Product Design, User Interface Design, Product Research, User Flows, Prototyping, Front-end development, Usability test Analysis, Design Thinking

## TOOLS

**It doesn't matter what software we use today** — Because Every technical skills get outdated

Figma, Adobe XD, Sketch, Notion, Linear, PostHog, Google Analytics
